### Intro

Follow, follow the sun  
Which way the wind blows  
When this day is done

Breathe, breathe in the air  
Set your intentions  
Dream with care

**Tomorrow is a new day for everyone  
Brand new moon, brand new sun**

### Interlude #1

Follow, follow the sun  
Direction of the birds  
Direction of love

Breathe, breathe in the air  
Cherish this moment  
Cherish this breathe

**Tomorrow is a new day for everyone  
Brand new moon, brand new sun**

**When you feel love coming down on you  
Like a heavy wave  
When you feel this crazy society  
Headin' to the strand**

**Take a straw to the nearest waters  
And remember your place  
Many moons have risen fallen long,  
long before you've come  
So which way is the wind blowin'  
And what does your heart say?**

### Interlude #2

Follow, follow the sun  
Which way the wind blows  
When this day is done...
